

THE HAMMETT FAMILY

TO SOUTH AFRICA

March 2024

We send our greetings to you, and trust that you are prospering in the work that God has called each of you to do. We want to express our gratefulness for your faithful prayers and financial support that allow us to continue in this ministry. We have seen the Lord working in many ways, and we are thrilled to be a part of it. Thank you for your partnership in the Gospel!

Limpopo Outreach Campaign. We had mentioned to you about the burden to more effectively and extensively carry the Gospel across the Limpopo Province during 2024. This is a daunting task, with a population of 6 million people, and a footprint the size of Pennsylvania. The road system here is rough, gas prices are high, and there are many adversaries. We need your prayers as we seek to access 22 key municipality districts and engage people with the Gospel. We have already covered 300 miles and been in 5 locations so far this year. The Lord has blessed with several Bible studies, and even a new group that wants us to come and teach them at the village of Makotopong. I sent a video update about how the Lord is using this outreach to help grow the faith of the men that we are discipling. The need is overwhelming, and our efforts are a drop in the bucket. We are praying that God would take our little and multiply it by His Divine power to reach souls that are hungry for His truth.

University Studies. We continue to engage with several university students on a weekly basis, with our campus outreach at Limpopo University. Many of these are religious, church attenders, but are clearly unaware of the Gospel and are completely lost. At our study last week, the light of the Gospel was beginning to dawn upon their darkened hearts. Pray especially for Charles, Kutullo, Alice, Mpho, and Bella. There are others who are attending, but I believe these are experiencing various levels of conviction. They must choose to place faith in Christ, and your prayers could make the difference for their souls!

Prayer Points. The Lord has given us many opportunities to sow the seed of the Gospel, and to preach Christ to many souls, over the past few weeks. Pray for Samuel and Lizzie at the village of Makotopong. Pray for Pertunia, Eunice, and Sarah at the village of Kotishing. Pray for Gift, Norman, and Jan at the village of Mothiba. Pray for Maureen and the Mabunda family at Nkowankowa. Pray for Solomon and Esther at Seshego. These are just some of the folks that the Lord has allowed us to minister to over the past several weeks.

Family. The Lord truly blessed me with a precious gift when He brought my wife into my life many years ago. We thank the Lord that we were able to celebrate 23 years of marriage this month! It is certainly a joy to serve the Lord together as a family. Last month, our son Joel was able to take a missions trip to spend some time with the Poling family in Berlin. We are grateful for their hospitality towards him and allowing him to step into their life and ministry for a little while. All 3 of our children are tremendous helps in the ministry here, and we are grateful for this season of life that God allows us to serve Him together.

Please continue to uphold our family and this ministry in prayer. We are unworthy servants, and are completely dependent upon God's grace for anything of any eternal value to be accomplished in our lives, and through this ministry. For Souls,

Bro George Hammett & Family
