“One Year Down Many More To Go”

It's hard to believe that one year has already come and gone! May 5th was our very first anniversary as a church family. God has done so many wonderful things this year in our church and through our church. It has been such a great reminder that faith is absolutely intimidating but it's always rewarding. This year we have watched God bring over 200 visitors to our new church plant, witnessed several people make the choice to follow Jesus, and have started several discipleship programs to equip and train our Sun City family. It's so amazing to come together as a church and collectively work together to be the hands and feet of Jesus in our community. There's no greater joy than fulfilling what Jesus commissioned us to do.

As we celebrated our one year anniversary at the church, it was incredible to hear over 10 testimonies of all that God has done in lives this year. Some families were on the edge of family breakdown, others were walking through PTSD, and some were experiencing considerable loss when they walked into Sun City. And by God's grace they are thriving as families and individuals. They have connected to the source of true life. The source that allows them to be thrive like a tree planted by rivers of water. All the glory goes to the One who gives that life.

As one year has come and gone, I would like to thank each of you for your continued prayer and financial support. This has enabled us to give 100 percent to establishing this amazing work. We are honored and privileged to partner with each of you as we continue to impact our great city of El Paso for Jesus Christ. One year down and many more to go!
